

**MARMOT STUDIO**

**Sundance Lodge | Studio #40 | 625 sq. ft.**

*Amenities to capture the heart. (Sleeps up to 4)*

This in-room freshwater hot tub garden level studio is another of our honeymoon favorites. Featuring a gas burning fireplace, living room area with full sofa sleeper, mini kitchen/wet bar, king bed, full bath, fireside freshwater hot tub, and private patio with BBQ Grill.

This luxurious two, three level structures with a dramatic, vaulted entry and stairway (one half flight to upper and middle levels) that separate the two duplex width buildings.

This large studio offers an in-room fresh water hot tub with many south facing windows a combination all our own. The private patio entrance also has large BBQ grill and patio furniture.
